SET FOOT ON UNTOUCHED LANDS

Discover rarely explored tundra

A journey to the end of the earth is like nothing you have ever experienced before. Every mile will reveal something wonderful and astonishing. Antarctica is irresistible for its spectacular iceberg sculptures and calving glaciers, and for the possibility of up-close encounters with staggering wildlife and the iconic King Penguin. Amundsen and Shackleton led the way, and on a Silversea Expedition you'll be amongst the lucky few to set foot on the great white continent. This frozen wilderness still looms in all of its purity — and you can discover it all while enjoying the distinctive, all-inclusive lifestyle that discerning travellers prefer.

INTRODUCING SILVER CLOUD EXPEDITIONS

BREAKING THE ICE BETWEEN LUXURY AND EXPEDITION

After an extensive refurbishment *Silver Cloud* will be the most luxurious ship in expedition cruising. Similar to *Silver Explorer*, her ice-strengthened hull and Category I classification allow her to navigate through ice floes and pack ice in complete safety. And distinctions such as five dining options and unrivalled service and space ratios ensure adventure travellers the exhilaration of exploring untrammelled destinations in unprecedented comfort and style. With her broad decks and panoramic public rooms, she is superbly designed to capture the magnificent scenery. And there's a veranda with almost every suite so that cavorting penguins or breaching whales are never far from view.

With 19 guides and a passenger capacity of 200 guests, *Silver Cloud's* guide-to-guest ratio is also the highest in expedition cruising — even higher in Antarctica where we've chosen to limit her complement to a maximum of 200 guests so that everyone can go exploring at the same time.

EXCEPTIONAL DAYS

Each day on a Silversea Expedition is filled with discovery — whether you're trekking across Antarctica's tundra, glimpsing sea life while savoring breakfast on the veranda served by your butler, or learning about the region's endemic wildlife and remarkable nature in The Theatre. Those needing to soothe sore muscles and rejuvenate the mind will find The Spa at Silversea is the perfect place to unwind.
