TRAVEL FURTHER TRAVEL BETTER

Maybe it is the call of the wild that you have always dreamed of, seeing the big five in their natural habitat and exploring lands that time forgot. Or maybe it is discovering tiny jewel-like geographical treasures, so off the beaten path that tourists are never seen and welcomes are warm and authentic. Or perhaps it is the pull of the ocean that draws you, of tranquil days at sea with like-minded contemporaries by your side.

Or maybe you just appreciate the finer things in life, voyages of total relaxation where every wish is anticipated and every destination is a perfect complement to your journey.

Whatever you wish for, we make it a reality. Whether you are a seasoned traveller or simply a first timer; whether you want to delve into the mysteries of the past or experience the thrill of the unknown; revisit old haunts or discover new lands, we will make sure that you leave with memories to last a lifetime.

Dream it, believe it, see it with Silversea.

OUR FAMILY TRADITION CONTINUES

And so we begin another season of exceptional sailing ...

Every year is special for me, but this year I feel particularly blessed as 2017 sees the launch of our beautiful new flagship *Silver Muse*. A ship of outstanding possibilities, she will travel the globe far and wide and will further enhance our vision of the Silversea experience. Intimate, she remains small enough to preserve Silversea's cosy feel, meaning that every moment spent aboard is tailor-made to suit you. Yet also spacious, she is large enough to offer the elegance and comforts that are the hallmarks of our voyages. She is, by all definitions, the highest expression of Silversea excellence.

Silver Muse brings our fleet to nine. With her addition, our matriarch *Silver Cloud* will undergo significant renovation to become ice-class and join our Expedition fleet, bringing that number of ships up to four. *Silver Cloud* will offer exceptional opportunities in expedition cruising, and with 2017 seeing our widest range of destinations ever, her addition allows us to reach both the snow-capped peaks of the last great wildernesses to the perfect, untouched spots in remote, hard-to-reach places.

In a sea of faceless corporations, we stand alone by being family managed. Our rich heritage is in our blood and thus it is a great honour for me to be able to extend a traditional Italian welcome to each and every one of our guests, each and every time. Valued guest, members of my extended family, I am continually humbled by your loyalty. Without you, none of this would be possible.

So, benvenuti a bordo! Where in the world do you want to go?

Manfredi Lefebvre d'Ovidio
Chairman of Silversea

SMALLER SUPERIOR SILVERSEA

We pride ourselves on knowing each and every one of our guests by name — whether you've already sailed with us, if you are a first timer, what your preferred drink option is to what time you like to have dinner. We believe that people matter, and we believe it so much that we guarantee to be at your service 100% of your time spent aboard with us. We also believe the smaller our ships are, the more bespoke and intimate your experience is. Our smaller ships get you closer to shore, meaning you have more time to discover the myriad of destinations we cover.

SILVERSEA

SILVER MUSE — 596 GUESTS

Offering the highest number of large suites aboard any of our ships *Silver Muse* blends state of the art technology, Italian craftsmanship and luxury modern amenities. Look forward to eight innovative dining venues, multiple culinary options and new and improved facilities aboard.

SILVER SPIRIT — 540 GUESTS

Silver Spirit combines our distinctive luxuries and celebrated lifestyle with new enhancements, including six dining venues, an expansive 8,300 square foot spa, a resort-style pool, four whirlpools, and the largest suites in the Silversea fleet — 95% with private verandas.

SILVER WHISPER — 382 GUESTS

Maintaining an intimate ambience, *Silver Whisper* offers many amenities usually found only on larger ships. She reinforces Silversea's reputation for combining small-ship service with a choice of wide-ranging facilities.

SILVER SHADOW — 382 GUESTS

Silver Shadow takes award-winning, all-suite luxury to the next level while maintaining Silversea's genuine hospitality and intimate, elegant ambience. This ship features one of the highest space-to-guest ratios in cruising.

SILVER WIND — 296 GUESTS

Silver Wind embraces Silversea's most lauded features ... fewer guests, more space and highly personalised service. One of the most intimate ships afloat, she is still large enough to offer multiple entertainment venues, plenty of room on deck and a spacious spa.

SILVER CLOUD — 296 GUESTS UP TO AUGUST 2017

Resembling a private yacht, *Silver Cloud* sets the standard of excellence as the inaugural ship in our fleet. She provides the most intimate sailing experiences, the luxury of space and the ability to slip into exotic ports off the beaten path.

SILVERSEA EXPEDITIONS

SILVER EXPLORER — 130 GUESTS

Designed for navigating waters in some of the world's most remote destinations, including both polar regions, our purpose-built expedition ship can push through ice floes with ease. *Silver Explorer* offers a level of service unmatched in expedition cruising.

SILVER GALAPAGOS — 100 GUESTS

With a proven skill for navigating the waterways throughout the Galápagos Islands, *Silver Galapagos* is naturally suited for in-depth explorations. Make this elegant, intimate ship your home away from home as you discover this spectacular region.

SILVER DISCOVERER — 120 GUESTS

Silver Discoverer sails for lands untouched by time or tourists. Visit remote tribal villages where few visitors have ever set foot, uncharted atolls and coral isles vibrant with marine life, and vast yet fragile rainforests that nature still claims as her own.

SILVER CLOUD — 200/260 GUESTS BEGINNING NOVEMBER 2017

With five dining options, the highest space and service ratios at sea, and verandas in almost every suite *Silver Cloud* sets a new standard of luxury in expedition travel — including a two-story state of the art theatre, perfect for lectures, seminars and films.

INTRODUCING SILVER MUSE

With less than 300 suites, our newest leading lady proudly sets sail for the first time in our home waters of the Mediterranean in April 2017.

EXCEPTIONAL COMFORT AND SPACE

With only ultra-luxurious suites, almost all with a private veranda, *Silver Muse* has the highest number of large accommodation options in our fleet, while spacious combining suites make travelling with family and friends effortless. Melt into another world as sumptuous fabrics envelop you, state-of-the-art technology entertains you, and fabulous seascapes float by.

UNRIVALLED CULINARY EXCELLENCE

With eight unrivalled restaurants available *Silver Muse* is, quite simply, the superlative choice when it comes to dining. Experience the gentle aromas of Asian-fusion in Indochine, and be enthralled by the theatrical teppanyaki of Kabuki. Relax in the casual atmosphere of the Regina Margherita pizzeria, grill your own steak under the stars in Hot Rocks and taste the finest French cuisine at MaDame. Dine and dance the night away in Silver Note. Not forgetting the iconic Italian restaurant, La Terrazza, and the flagship seafood and grill restaurant, Atlantide. Soak up the ambience and award-winning culinary pedigree of what is surely the most comprehensive dining experience at sea.

THE BEST PLACE BETWEEN SEA AND SKY

We believe that as you leave the shore behind and sail off into the sunset, your journey has only just begun. Feel the gentle breeze whilst you marvel at the seaside view of the receding shore. Reflect on the day and contemplate pastures new to the gentle sound of waves breaking on the bow. From tranquil niches and observation areas to an unprecedented spacious pool deck, outdoor lounges and three open-air restaurants, our tailor-made outdoor spaces have been conceived so that time spent aboard is most definitely, time well spent.

SWITCH OFF ON BOARD

Write your own journey

Feel the everyday melt away from the moment you step aboard into a world where choice reigns supreme. Indulge in the mellow pursuits of a yoga class or a spa treatment. Stare out at the serene seascapes that glide effortlessly by from the comfort of your pool-side sunbed. Retreat with afternoon tea and a newspaper, polish your astronomy in the Panorama Lounge or simply enjoy the undeniable anticipation of things to come from the comfort of your suite ...

But why not also try: a morning run as you approach your destination, watching the shoreline slide closer and closer into view, or a workout session with a personal trainer, following a programme that has been created just for you? How about a cooking class or a tasting session with a Relais & Châteaux® chef? A fascinating lecture by a guest speaker or learned destination consultant?

The freedom to do nothing or do everything aboard prevails. So ... what will you choose?

Welcome to our 2017 Silversea Expedition voyages. Each year, we strive harder to include more remote, harder to reach and off-the-beaten track destinations, so that you can experience the regions and traditions that the typical tourist doesn't find. This year we have added dozens of new destinations, including the striking Sunderbans Reserve in Bangladesh — in fact, we are the only ones who go there. I'm also thrilled to announce that *Silver Cloud* will undergo extensive refurbishment and join our expedition fleet in November 2017, bringing our number of expedition ships to four. Accompanying you on each adventure is a dedicated team of experts giving lectures and insights and making sure that your every question is answered. We believe that every guest aboard one of our ships is an explorer in the making; we want you to be immersed in the local culture, expect the unexpected, and be prepared to be amazed.

Happy exploring!

LATIN AMERICAN DELIGHTS

VOYAGE 1 – Galápagos – 7 Days – *Silver Galapagos*

VOYAGE 2 – Central America – 8 Days – *Silver Explorer*

We'll devote a week to Galápagos' western isles; Incense trees, Scalesia Forests, tidal pools, colonies of sea turtles and marine iguanas; countless creatures. Followed by eight days absorbing the wilds of Panama, Colombia, and Ecuador. Tree sloths, Nazca boobies, an Embera village, plus rare visits to Utría National Park. An overnight stay in Guayaquil and a short flight is all you need to connect the wonders of the Galápagos and a transit of the Panama Canal and the Darien Jungle.

SOUTH AMERICAN SOJOURN

VOYAGE 1 – Galápagos – 7 Days – *Silver Galapagos*

VOYAGE 2 – South America – 14 Days – *Silver Explorer*

Seven days of Galápagos wildness; lava tunnels, giant tortoises, Genovesa, and colourful marine iguanas. Creatures that should fear you, but don't. Then, not to be outdone, it's two weeks immersed in the best of Ecuador to Chile — Blackish Oystercatchers, Peruvian Boobies, Valley of the Moon, Chilean wines and more. With both ships in Ecuador and just a day between, going from Galápagos to the deserts of Arica and the wine country of Chile has never been more rewarding.

FRIGATEBIRDS, ICE FIELDS AND FJORDS

VOYAGE 1 – Galápagos – 7 Days – *Silver Galapagos*

VOYAGE 2 – South America – 12 Days – *Silver Explorer*

Galápagos' north central isles will be our home for a week; lava flows, Bird Island, giant tortoises, sea lions, and other fearless creatures. Then it's 12 days, between Valparaíso and the Straits of Magellan. Chiloé Archipelago, a Patagonian estancia, the Chilean Fjords, and the Garibaldi Glacier. Two nights in Chile's beautifully situated capital city Santiago give you the chance to savour some of the country's best wines between your Galápagos adventure and your journey to a coast of glaciers and fjords.

CONQUER SOUTH AMERICA AND ANTARCTICA

VOYAGE 1 – Galápagos – 7 Days – *Silver Galapagos*

VOYAGE 2 – Antarctica – 18 Days – *Silver Explorer*

It starts with a week in Galápagos' western isles; lava fields, mangroves, sea lions, cave inscriptions, a tuff cone, and more. Then the coup de grâce — 18 days in South America's southernmost regions; six breeds of penguins, whales, dolphins, albatross, countless seabirds, and the footsteps of Shackleton, Hillary and Byrd. From the ancient city of Machu Picchu high in the mountains to the thundering waters of the mighty Iguazu there's no better way to explore the wilds of South America, Galápagos, and Antarctica. It's like a wine pairing, but even more delicious.

SOUTHERNMOST SOUTH AMERICA

VOYAGE 1 – Galápagos – 7 Days – *Silver Galapagos*

VOYAGE 2 – Antarctica – 10 Days – *Silver Explorer*

An entire week getting to know the creatures and sites of the western Galápagos Isles; sea turtles, manta rays, Pinnacle Rock, and the largest colony of colourful marine iguanas. GENERAL INFORMATION

CLOTHING SUGGESTIONS

Shipboard attire ranges from casual to formal. Casual resort wear is appropriate for daytime. Shoes should be flat or low-heeled for deck activities. Evening attire is casual, informal and formal. On casual evenings, open-neck shirts, trousers and casual wear are appropriate. On informal evenings, women usually wear dresses or trouser suits; men wear jackets (tie optional). Appropriate formal evening wear for women is an evening gown or cocktail dress; men wear tuxedos, dinner jackets or dark suits. On formal nights, guests dining in La Terrazza may wear casually elegant attire (dresses or trouser suits for women; jacket, tie optional for men). This option also applies to Seishin and Stars Supper Club on board Silver Spirit. Dining at The Grill is optional casual on all evenings. Following dinner, all guests are free to take advantage of any or all public spaces, however, a jacket is required. Sailings of nine days or less typically feature one formal night, while longer voyages usually have 2–3 formal nights. However on 7-day summer sailings, from June through August, in the Baltic, Mediterranean and Alaska, formal night is optional, only a jacket is required for men. Details will be provided in the Travel Journal in your final cruise documents.

FROM CURE TO CARE ... A MISSION OF LOVE

The Maruzza Lefebvre D'Ovidio Foundation is an independent, family-run charity, established by Antonio and Eugenia Lefebvre D'Ovidio following the loss of Maruzza, their eldest daughter, in 1989.

Antonio and Eugenia passionately took up the vocation to aid people suffering the same fate as their daughter. Her vision became their deepest desire — to provide assistance and care for incurable patients, with consideration and respect for their moral principles, dignity and quality of life — bringing light to Maruzza's dream.

Silversea is proud to support the dedicated efforts of this non-profit organisation and to honour the memory of Maruzza, the beloved sister of Silversea's Chairman, Manfredi Lefebvre D'Ovidio.

Under the leadership of Silvia Lefebvre D'Ovidio, Maruzza's sister, the Foundation works together with local government organisations assembling specialised networks to promote excellence and equity in the provision of palliative care and support for persons affected by life-threatening

or life-limiting conditions and their families, regardless of age, cultural, social and economic background.

Today, a major part of its energy and resources is dedicated to palliative care for children, babies and adolescents affected by incurable illness. For these young patients in particular, it is essential that they spend their days in familiar surroundings where all their physical, emotional, social and spiritual needs can be properly addressed, able to live their lives free from unnecessary pain and suffering.

Silversea has established a fundraising programme that promotes awareness of this important cause and allows Silversea guests to share in the Maruzza Foundation's mission.

For more information or to make a private donation, please visit www.maruzza.org

On behalf of the Maruzza Foundation and the entire Lefebvre D'Ovidio family, I wish to express my most sincere gratitude for the opportunity to share Maruzza's dream with you. Her vision and her voice inspires us to continue, and we trust, with the help and support of those who believe and participate in our mission, we can improve the lives of so many seriously ill individuals and their families.

Silvia Lefebvre D'Ovidio
Maruzza Lefebvre D'Ovidio Foundation
